Components

- Flexbox (most pages)
- Grid (social media)
- Hamburger menu (navigation on mobile)
- Zoom-in (pictures of social media icons and me)
- Fade-in (header on each page)
- Anchoring (navigation bar)
- Complimentary colour palette (as variables in scss)
- Fonts that complement aesthetic (from Google Fonts)

Challenges

- Grid and flexbox
  - Overestimating my abilities
- Design influence
- Creating wireframes

Thanks for listening!
